2017 Proposed Dates

- March 3rd
- April 14th
- June 9th
- July 28th
- October 6th
- December 8th

Topics may include:

- ❖ Night Dreams and Symptoms
- ❖ Sickness in Health
- ❖ Developing a New Relationship
with Your Symptom
- ❖ Relationships to Health Care
Providers
- ❖ Processwork 101 with Body
Symptoms

In these forums we will link the individual experience
of body symptoms with larger cultural and social
issues.

You will have the opportunity to explore your own
experience and learn the social aspects of illness
through sharing your experience in a group format.

All are welcome-No charge

PLEASE NOTE: The Dreambody Medicine Forums are meant to accompany,
not supplant or replace, the participant's medical or psychological treatment for
his or her illness. These forums are an educational experience, intended to
enhance personal growth. We encourage participants to attend these seminars
with their physician's or therapist's approval.
